What – This class provides a preschool experience for children 1.5 – 2.5. The parent can experience a preschool setting while bonding with their child. In this class, children will participate in developmentally appropriate activities such as art, music, movement, story time and play. We will also introduce prayer and religion. This is a wonderful opportunity for your child to engage with other children their age, while you are meeting other parents in the area. Kids will have a snack time and can bring their own water bottles or sippy cups to class. Potty training is not required, and we have a changing area in our classroom.

Maximum class size will be eight children with their caregiver.
